

X-RAY MINERAL SERVICES LTD

COOKIE POLICY

To make using our website easier, X-ray Mineral Services Ltd places small data files on your computer – these are called cookies.

We use cookies to track statistical data such as:

- How many visitors come to the site
- The frequency and repetition of visits
- The most popular pages visited

We monitor this data in order to be able to adapt and improve the site and its content according to our visitors' needs.

Our cookies are not used to identify you personally – all statistical data that we track is completely anonymous. You have the option of deleting cookies from this or any other website from your internet browser if you so wish. To find out more about cookies and how to manage them, go to <http://aboutcookies.org.uk> or the “help” section of your internet browser.

Always exercise caution and look at the privacy policy of the websites that you visit.

X-ray Mineral Services Ltd reserves the right to update this Cookie Policy at any time. Your continued use of this website will be subject to the Cookie Policy in force at the time.
